## INTRODUCTION

Dhafir Technologies LLC is part of Dhafir Group which was established in 1970. Initially the company's activities were focused on in-house contracts under its parent company Dhafir Group. In 1992 Dhafir Technologies diverged into an independent profit center to spearhead the rising demand for construction projects of Power, Oil & Gas sector within the UAE. Today, with three fabrication facilities, full-fledged engineering, Procurement, QA/QC and HS& E departments, we have grown to hold a prominent position in the EPC contracting companies in UAE

The company is certified by American Petroleum Institute (API) and completely adhering to ISO 9001:2015, ISO 14001:2015, ISO 45001:2018 & API Specification Q1 standards requirements.
